RESERVE AT TWIN RIVERS, PARRISH, FL

One or more photo(s) has been virtually staged. Final Days to buy- if not under contract by October 10th, this home will be pulled from the market and leased as a rental. When you first step foot inside, it all starts to click: the porcelain floors, the lifted beamed ceiling, and those large sliders framing the serenity of the pool and lake behind it. You instantly feel at ease and at home. Look around and take it in—the island kitchen keeps everyone in the conversation—crisp white cabinetry, quartz counters, double ovens—and a long run of sliders pulls you out to a true Florida living room: an extended, oversized covered lanai with room for lounging, dining, and game-day viewing, set above a heated, screened saltwater pool and spa with a sunshelf and fountain jets. Mornings start with coffee outside; afternoons drift into swims; and after sunset, it's hot-tub nights under the lights while a game plays on the lanai TV wall. Up front, a dedicated office gives you a quiet place to focus when you need it, so the rest of the house can keep humming.

The owner's suite steps quietly off the main living area with lanai access and a spa bath featuring a long double vanity and a generous walk-through shower with twin heads. A separate second living room works perfectly as a true family room or a teenage space—movie nights, homework, gaming—while the adjacent back bedroom has pool access with a nearby full bath,

creating an easy in-law/guest setup and privacy for everyone. Multiple electric fireplaces add an instant cozy button when you want it, and the nearly one-third-acre lot gives you breathing room with a wide lake view.

Set within the newer gated section of Twin Rivers, The Reserve offers the calm of a private entry and the outdoor perks people move here for—observation deck and fishing dock, boat ramp, walking trail, picnic areas, fenced play area, and canoe racks. You’re minutes to Fort Hamer Park and the Manatee River for boating or kayaking, trails at Rye Preserve, and easy waterfront dining along the Riverwalk. Best of all, there’s no CDD here—just the convenience of HOA living—so the lifestyle stays easy long after closing.

It’s the easy indoor—outdoor rhythm you wanted—quiet mornings by the lake, weekend gatherings on the extended lanai, and a home that makes it all feel effortless. Come feel the light, the flow, and the space—then picture the next chapter writing itself.
